

Tour Request

NOTE: The final date to request tours is April 19, 2006 no later than 4:00 PM EST. No tour requests will be accepted after this date and time, to allow sufficient time to prepare the dosimetry. The last tour will be given on April 28, 2006.

Site tours will be conducted on April 24 through April 28, 2006. The location of site tours is at the West Valley Demonstration Project which is located at 10282 Rock Springs Road, in West Valley, New York. The facility is located approximately 3 miles from Route 219 and is approximately 40 miles south of Buffalo, New York. All interested companies must submit their tour requests that include company name, company DUNS code, name of individual, title of individual, citizenship and phone number to the following e-mail address:

wvdpseb@emcbc.doe.gov

All individuals requesting a tour must be U. S. Citizens.

Limit of 2 representatives per company for site tour

Bring Picture ID

Please be on time - tours begin promptly at 8:00 a.m.

NOTICE TO WVDP INTERIM END STATE RFP SITE TOUR ATTENDEES

This site tour is for informational purposes only. Any statements and/or representations made during the site tour are not binding. You are cautioned that the ONLY controlling documents /information are the Request for Proposal and any amendments thereto. You are also advised that you may not be provided access to some areas during the tour for safety reasons.

Each tour will be limited to 10 persons and registered on a first come first served basis. DOE has a limited number of slots available for the site tour; however, it is possible that there may be a few number of slots available after all site tour requests have been received. At DOE's sole discretion, these slots may be made available for additional individuals, in which case the limitation on the number of individuals "per company" may be removed or modified. Availability of those slots, if any, will be posted on this web site.

The final date to request tours is April 19, 2006 no later than 4:00 p.m. EST. No tour requests will be accepted after this date and time, to allow sufficient time to prepare the dosimetry. Tours are expected to last approximately 6 hours each, with extensive walking and stair climbing. Participants are requested to dress appropriately for the weather with regard to clothing and footwear.

The tours will be scripted tours, in that the guide will provide tour information from a prepared script. Questions will not be entertained during the tour. Offerors shall provide all questions in writing to wvdpscb@emcbc.doe.gov.

You are advised that any personal items that you choose to take with you on the tour may be confiscated if the items become contaminated or are believed to be contaminated. These items may not be returned to you.

Please Note:

If you are currently being monitored for radiation dose at your facility, please bring an estimate of your quarterly and year-to-date radiation dose. COMPANIES AND THOSE OF THEIR PARTNERING COMPANIES REQUESTING TOURS FOR THE SAME DAY AND TIME MUST SUBMIT TOUR REQUESTS AT THE SAME TIME. TOURS WILL NOT BE SCHEDULED UNTIL THE ENTIRE GROUP HAS SUBMITTED THEIR TOUR REQUEST.
